

Yuemeng International Supply Chain Premium Xinjiang Walnut Supplier

Company Profile

Yuemeng International Supply Chain is a premium walnut supplier from China, specializing in in-shell walnuts and walnut kernels from Xinjiang.

Our source directly from the origin and operate our own processing facility to ensure stable year-round supply and strict quality control.

With rich export experience and reliable, high-quality supply, our products are trusted by wholesalers and importers in the nut industry across the Middle East, Europe, and Central Asia.

Why Choose Chinese Xinjiang Walnuts

Category	Xinjiang Walnuts	Walnuts from Other Regions
Quality	Uniform shape, thin shell, easy to crack	Shape and shell thickness vary by region
Kernel Yield	High kernel yield, averaging ≥60%	Kernel yield varies depending on variety and climate
Flavor	Rich aroma with consistent taste	Flavor varies by origin and processing methods
Harvest Season	Concentrated harvest in September–October with fresh crop availability	Harvest seasons differ by climate and region
Supply Stability	Own factory and supply chain ensure year-round stable supply	Stability depends on local climate, planting scale, and supply chain capacity

In-Shell Walnuts

- Sizes: 30mm+, 32mm+, 34mm+, 36mm
- Packaging: 25kg/bag, OEM
- High kernel yield ≥60%

Walnut Kernels

- Types: 185, xin2, 33
- Color: Light / Extra Light
- Kernels: ball type, 1/2, 1/4, 1/8, 1/16
- Packaging: 10kg vacuum bag / 5kg carton / OEM

Supply Chain Advantages

- Origin Sourcing – Direct from Xinjiang walnut orchards
- Processing Facility – Modern HACCP & ISO22000 certified plant
- Stable Supply – Annual export capacity over 2000 containers
- Logistics Support – Efficient shipping to global markets
- OEM Service – Flexible packaging options for different needs

Advantages Summary

- High Yield & Great Taste – Larger, richer kernels per nut
- Natural Advantage – Dry, sunny Xinjiang climate reduces mold & pest risk
- Fresh Harvest – Direct from origin, shorter supply chain
- Cost-Effective – Factory direct, stable year-round supply
